Projects

Project Title: Portfolio

Duration: 1 month

Designation: Developer

Tech stack: React, Express, MongoDB

Project Description:

- Developed a dynamic portfolio using React JS, Redux, and Tailwind CSS for a responsive and interactive frontend experience. Implemented authentication and authorization using JWT.
- Node.js and Express power the backend, with MongoDB as the database and Nodemailer for email notifications.
- Includes an admin panel for updating, creating, and deleting projects, certificates, and personal information dynamically.

Project Title: URL Shortener

Duration: 1 month

Designation: Developer

Tech stack: React, Express, MongoDB, Tailwind, Redux.js

Project Description:

- Converts long URLs into short, manageable links using React, Redux Toolkit, and Tailwind CSS for a seamless frontend experience.
- Node.js powers the server-side logic, while MongoDB securely stores user data and shortened URLs.

- Features include user authentication, an admin dashboard, and tools for creating and managing shortened URLs. Implemented analytics dashboard using Chart.js

Live Project

Company: Skillhub IT Solution

Designation: MERN Stack Developer

Duration: 2 Month

Project Title: EventEase

Work Description

- User-friendly platform enabling event ticket purchases, with tickets delivered to registered email addresses.
- Utilizes React, Tailwind CSS, and Redux for frontend development, with AOS for animations and Framer Motion for enhanced motion effects. Implemented payment gateway Razorpay
- Backend powered by Node.js and MongoDB, ensuring efficient data handling and storage.

Workshops/Certifications

- **JavaScript Certification:** Earned through SoloLearn, this certification demonstrates proficiency in JavaScript, covering essential concepts such as variables, functions, loops, and DOM manipulation.
- **CSS Certification:** Earned through SoloLearn, this certification covers fundamental skills in HTML for creating structured web pages with semantic markup and CSS for styling, layout design, and creating responsive web interfaces.

Extra-Curricular activities

- Won first prize in the “*Internal SIH 2024*” competition organized by Tech committee.
- Organized many events like Freshers party, convocation, Cultural programs, etc. during college days.
